

So your clients can get on with it

Why OnDeck?

The small business loan specialist....

In our 12-year history of supporting small businesses across the US, Canada and Australia, OnDeck Group has:

- become the number 1 online funder to SMEs (US);
- funded over \$10bn in loans;
- served over 100,000 customers;
- become pioneers of transparency in small business lending via SMART Box™; and
- established large and successful partnerships with MYOB and Chase.

... where you're in control

We respect you and your relationships with your clients. That's why:

- your client is yours - not ours;
- we'll only contact your client if you ask us to;
- you control renewals; and
- we don't load your commission onto your client's price.

... and your clients are happy

Our processes are simple and focused on making things happen – quickly.

- We provide loans with as little as 3 months bank statements;
- We tailor security options to suit (including unsecured facilities up to \$250k);
- Dedicated broker BDMs to triage and prioritise your deals;
- Our proprietary scoring system - OnDeck Score® - means we can say 'yes' faster; and
- We're able to fund loans in as fast as 1 business day.
